My father was a very wealthy cocoa merchant in Abidjan; the economic capital of Ivory Coast, my father was poisoned to death by his business associates on one of their outings on a business trip.

My mother died when I was a baby and since then my father took me so special. Before the death of my father in a private hospital here in Abidjan he secretly called me on his bed side and told me that he has the sum of TWENTY FIVE Million United State Dollars (USD. \$25.000,000) deposited in one of the largest security company here in Abidjan, that he used my name as his only Daughter for the next of Kin in depositing of the fund to the security company.

He also explained to me that it was because of this wealth that he was poisoned by his business associates. That I should seek for a good foreign partner in any country of my choice who will assist me for investment purpose. And the money is in six 6 trunk boxes there in the security company now.

I am deeply here seeking your assistance in the following ways:

(2) To serve as a guardian of this fund in the trunk box and invest them into a good business investments that can benefit you and me since I am only 25 years old girl, I do not have any idea of any business investment!

(3) To make arrangement for me to come over to your country to further my education/study and to secure a resident permit and my travelling Visa to come over and stay in your country.

Moreover, I am willing to offer you 50% percent of the total sum as compensation for your effort/input after the successful delivering of the trunk boxes from the security company While 50% percent will be for me and my Education in your country.
